FREE WILL WRITING SERVICE

For NHS staff, provided by Dunham McCarthy Ltd.

NO COST, NO CATCH NO EXCUSE

Free Will writing service

At Dunham McCarthy we provide a number of legal and financial services. Currently our professional Will writing service is available through selected partners free of charge (normally £139 per Will). The service is entirely free of cost; this includes taking your instructions, visiting you at home to check draft documents and sign your final Will(s). We even work evenings to make the service as convenient as possible - there really is no excuse to put off making your Will.

It is because many clients ask us to help in various other ways with trust writing, life insurance and powers of attorney for example, that we are able to provide the Will without charge. No additional services are obligatory. So if you haven't yet made your Will, now is the time to act.
